

The perfect fit

Dubarry footwear is wonderful to wear, with the high quality leathers softening perfectly to provide exceptional comfort.

Dubarry recognise, however, that just like our footwear we are all unique and this is why we have developed three special variations of our classic **Galway** boot to cater for a range of fitting requirements.

Which is the right fit for you?

SlimFit™

1 and 2
For customers with a slimmer calf, this version of Galway is narrower at these points

Foot entry and joint measurements are the same as RegularFit™

RegularFit™

ExtraFit™

1
Additional measurement for the more generous calf muscle

2, 3 and 4
Foot entry for higher in-steps has been increased plus there is additional joint measurement for a wider foot
